A & E Livestock, Dresden, Tennessee

Dear Mr. Holt:

The EPA is in receipt of your letter dated August 4, 2014, requesting an extension until September 12, 2014, to respond to our Request for Information pursuant to Section 308 of the Clean Water Act dated May 23, 2014. On behalf of the EPA, I am granting this second extension request for a revised response date of September 12, 2014. However, if a response is not received by this second extension date, then the EPA will initiate appropriate action to avoid further delays in receiving the information as requested.

Please contact Don M. Joe at (404) 562-9751 or via email at [joe.don@epa.gov](mailto:joe.don@epa.gov), if you have any questions regarding this matter. Legal inquiries should be directed to Judy Marshall, Associate Regional Counsel at (404) 562-9533 or via email at [marshall.judy@epa.gov](mailto:marshall.judy@epa.gov).

Sincerely,
